

Landscape Design Intern

Terry Horst Landscape Architecture, PC is a highly experienced team of landscape architects and land planners in Syracuse, New York. We are committed to understanding the needs of our clients to develop a unique plan and design of sustainable land areas and outdoor spaces. The firm's past projects have included but are not limited to athletic and recreation facilities, sustainable sites, and land planning. We are seeking a landscape design intern who will work closely with other designers and a licensed landscape architect to assist in the firm's projects. This will include tasks such as creating and editing designs on a variety of design software.

Required Education: Currently enrolled in an accredited Bachelor Landscape Architecture Degree Program
